

## 1. Scope and Range of Rate Increase

The purpose of this document is to present rate change justification for Oscar Insurance Company of Florida (Oscar's) Individual Affordable Care Act (ACA) products, with an effective date of January 1, 2026, and to comply with the requirements of Section 2794 of the Public Health Service Act as added by Section 1003 of the Patient Protection and Affordable Care Act (ACA).

Using in-force business as of March 2025, the proposed average rate increase for renewing plans is 13.3%. Rate increases vary by plan due to a combination of factors including shifts in benefit leveraging and cost-sharing modifications. This rate increase is absent of rate changes due to attained age.

The rate increase impacts an estimated 142 members.

## 2. Reason for Rate Increase(s)

The significant factors driving the proposed rate change include the following:

### *Medical and Prescription Drug Inflation and Utilization Trends*

The projected premium rates reflect the most recent emerging experience which was trended for anticipated changes due to medical and prescription drug inflation and utilization.

### *Prospective Benefit Changes*

Plan benefits have been revised as a result of changes in the Center for Medicare and Medicaid Services (CMS) Actuarial Value Calculator and state requirements, as well as for strategic product considerations.

### *Anticipated Changes in the Average Morbidity of the Covered Population*

Changes to the overall premium level are needed because of anticipated changes in the underlying morbidity of the projected marketplace.
